Dear Mr Murdoch,

**Bikeway Extension
The Esplanade to Fletcher Parade
Information Session**

Brisbane City Council will soon commence work to construct a missing section of the Ithaca Creek bikeway between The Esplanade and Fletcher Parade at Ashgrove.

As this work will commence soon, we would like to invite local residents to attend a project information session to view the bikeway plans and discuss the project in more detail.

The information session will be held at the **Bardon Bowls Club**, on Bowman Parade at Bardon, on **Sunday 25 February** between **10am and 11.30am**.

The new section bikeway will provide a continuous bikeway facility from Glenrosa Road through to Coopers Camp Road, passing under Jubilee Terrace. The bikeway will operate off road between the existing footbridge near Hartfield Drive and Jubilee Terrace. It will then become an on road facility along the length of Fletcher Parade.

Vegetation clearing work will now commence in late February/early March, with construction of the bikeway still programmed to commence in April.

If you have questions but are unable to attend this information session, please call the project's information line on 1800 199 757.

Yours sincerely

Michael Marlow
Project Manager
