My dear Lord Mayor

We refer to previous correspondence (LM02957-2015, LM02175-2016, LM05513-2016) concerning deflection rails ("banana bars") in Brisbane.

We note that the Riverstage banana bars and a set at the north end of Bilsen Road were removed. Your letter of 13 December 2016 claimed that the set on Turbo Drive, Coorparoo had been removed but this has not occurred (see picture). A set near Stevens St, Yeronga has not been removed although the concrete lip there has been smoothed as requested. A set of rails predating banana bars at Campus Street, Indooroopilly has not been removed.

Could you please advise on how the deflection rails removal program is progressing?

Yours sincerely

Dr Richard Bean
