Dear Dr Bean

Application for access to documents concerning bikeways projects 2008-2017

I refer to your Right to Information application number 2017/18-113, seeking access to summary level documents showing how the \$220 million bikeways funding was spent between 2008 and 2017, including location of bikeway, completion date, budget vs actual costs and whether that section of bikeway was purely Council funded or if there was state or federal funding received.

I would like to sincerely apologise for the extended delays in getting this application finalised for you.

I have now been provided with 19 pages of spreadsheet documents relevant to the scope of your application.

My decision

After consideration of these 19 pages of documents, I, as the Officer directed by this Authority to deal with your application on its behalf pursuant to Section 30 of the *Right to Information Act 2009* (Qld) (the RTI Act), have decided to grant access to all 19 pages in full.

Please find enclosed a copy of these pages.

Review rights

If you are unhappy with my decision, you are entitled to seek an internal review and/or an external review in accordance with the RTI Act. Your application for either internal or external review must be in writing and must be lodged within 20 business days of notification of my decision. A copy of the relevant sections from the RTI Act is enclosed for your information, as is a copy of the Office of the Information Commissioner's information sheet on review rights.

Yours sincerely
