My dear Lord Mayor

We are writing to you concerning the current "Move Safe Brisbane" vulnerable road user feedback campaign. Space4CyclingBNE recently ran a similar exercise. Many of the issues highlighted have yet to be addressed, so we would like you to add the attached output from our work to the issues raised in "Move Safe Brisbane".

Please find attached our efforts. They can also be viewed through Google Maps here:

We commend Council on this new initiative and look forward to some positive outcomes on the issues we and others have identified.

Yours faithfully
