Mr Donald Campbell  
Co-convenor  
Brisbane CBD BUG  
GPO Box 2104  
BRISBANE QLD 4001

Dear Mr Campbell

Thank you for your email of 4 October 2018 about the inclusion of a protected bikeway as part of the potential future upgrade of the Enoggera Road and Kelvin Grove Road corridor.

I understand Ms Vanessa George, Communications Officer, City Projects Office, spoke with you on 11 October about this matter. As discussed, Council will be undertaking investigation works on Enoggera Road and Kelvin Grove Road to determine current and future demands of road users that travel on the corridor.

I can confirm that in the *Brisbane City Plan 2014*, the Enoggera Road and Kelvin Grove Road corridor is identified as a secondary cycle route between Frederick Street and the Inner City Bypass, and as a primary cycle route from Samford Road to Frederick Street.

Council will look into opportunities to improve travel times and connectivity to local communities for all road users, including public and active transport users. These investigation works will determine options for a potential future upgrade, however, the timing of construction for any subsequent project is dependent on its priority and future budget allocation.

Thank you again for contacting me and I trust this information is of assistance.

Yours sincerely

Graham Quirk  
**LORD MAYOR**
