Ms Anne Savage

Dear Anne

On behalf of the members of the Brisbane Central Business District Bicycle User Group (CBD BUG) I write to express our sincere appreciation for your proactive and positive advocacy efforts in your role as the Chief Executive Officer of Bicycle Queensland (BQ).

I am pleased to let you know that in recognition of your hard work CBD BUG members voted unanimously at our June 2019 General Meeting that you should be sent a letter to acknowledge and thank you.

Your arrival on the Brisbane cycling advocacy scene was truly a breath of fresh air and the way you championed the need for more genuine action by the Queensland Government and Brisbane City Council to make riding a bicycle safer for people of all ages was a delight for local cyclists.

As a result, the news you were moving on from this position was received by many CBD BUG members with a mixture of sadness and disappointment. However, we certainly respect your decision and appreciate you had very good reasons for moving on from this role with BQ after such a regrettably short time.

We wish you all the very best for the future, and hope to you see out riding around when you visit Brisbane - or if you have the time, drop in to attend one our meetings.

Yours faithfully
