Dear Dr Bean

Thank you for your letter. I did raise this issue at Committee, as it was a very clear missing part of the upgrade.

It was odd and Councillor Cooper didn't have an answer at first and then said it was a primary bikeway.

I found the whole thing very odd, but not being the local Councillor there I don't get any say in the project.

We just get the 'spin' in the presentation afterwards. I think you are very right to raise it as major upgrades like this

should include, vehicle, bike and pedestrian improvements.

Regards
