Dear Minister

The CBD BUG is a strong supporter of the Queensland road rule commonly known as the 1m passing law, and we know you are also. On 23/09/2016 you announced tenders for a digital device to measure compliance of the law. The following November on the 23rd you announced a contract had been awarded.

The CBD BUG is eager to know the results of the use of the technology and whether it will be (or currently is) used to provide active enforcement of the law.

Yours faithfully

Donald Campbell
