Dear Mr French

I refer to your email of 27 May 2021 to the Honourable Mark Bailey MP, Minister for Transport and Main Roads, requesting a copy of the report on a proposed active transport bridge connecting Bulimba and Teneriffe. The Minister has asked that I respond on his behalf. I apologise for the delay in responding to you.

In 2015–16, the Department of Transport and Main Roads (TMR) carried out a feasibility planning study for the Bulimba to Teneriffe Active Transport Bridge. It is not usual practice to release feasibility study reports publicly as they are preliminary in nature.

However, a redacted copy of the report is available on TMR's Right to Information Disclosure Log and can be found by visiting [www.tmr.qld.gov.au](http://www.tmr.qld.gov.au); searching 'Right to Information'; clicking on 'Disclosure Log'; and searching 'RTI-1706'. I have also attached a copy for convenience.

As the proposed bridge site falls under the jurisdiction of Brisbane City Council (BCC), any further studies, detailed design and construction are the responsibility of BCC. I have forwarded a copy of your correspondence to BCC for consideration and direct reply.

I trust this information is of assistance.

Yours sincerely
